Kargs who, after settling the four great Eastern lands, sailed back to the West about two. It took him six more days to get through the big herds in the eastern marshes. The last two days. For there had been times when he felt that, as he had summoned her living, so dead she might summon him. The bond between them that had linked them and let her save him was not broken. Many times she had come into his dreams, standing silent as she stood when he first saw her in the reeking tower at Samory. And he had seen her, years ago, in the vision of the dying healer in Telio, in the twilight, beside the wall of stones. THE KINGS OF ENLAD go in. of the same kind, nameless yet each with its own name. When she sat down on the soft leaf mold, dozen paces from her when she began to sing. Among the unseen trees her voice was weak. Silence looked stricken. "Was he your friend?" say the king himself is the new Archmage. But he isn't a wizard, only a king. So others say the. "We must give what we have to give," said Medra. "If all but us are slaves, what's our freedom worth?" They held each other tight, hard, silent for a long time. To Diamond it was as if he held his future, his own life, his whole life, in his arms. "Who told you about it?" "We went farthest east," Azver said. "But do you know what the leader of an army is, in my tongue?" "She is of mine," said Azver. However the Division came about, from the beginning of historical time human beings have lived in the main Archipelago and the Kargad Lands east of it, while the dragons kept to the westernmost isles-and beyond. People have puzzled at their choosing the empty sea for their domain, since dragons are "creatures of wind and fire," who drown if plunged under the sea. But they have no need to touch down either on water or on earth; they live on the wing, aloft in air, sunlight, starlight. The only use a dragon has for the ground is some kind of rocky place where it can lay its eggs and rear the drakelets. The small, barren islets of the farthest West Reach suffice for this. go there!" then, he will spring forth, shining! ores and metals-these great things had always been in the charge of women. A rich lore of spells, playing and delaying. But now that I've come, you serve me, and have nothing to be afraid of. And have walked under the trees... Our job must be to keep that strength. Hide it, yes. Hoard it, as a I did not know where to look. In front of me stood a man in something fluffy like fur. "Our problem is with men," Veil said, "if you'll forgive me, dear brother. Men are of more account to other men than women and children are. We might have fifty witches here and they'll pay little heed. But if they knew we had five men of power, they'd seek to destroy us again." But Anieb had been bald, like all the slaves in the roaster tower. She had never seen where he lived. He slept wherever he chose to, she imagined, in these warm summer nights, She asked him where the food they ate came from; what the School did not supply for itself, he said, the farmers round about provided, considering themselves well recompensed by the protections the Masters set on their flocks and fields and orchards. That made sense to her. On Way, "a wizard without his porridge" meant something unprecedented, unheard-of. But she was no wizard, and so, thinking to earn her porridge, she did her best to repair the Otter's House, borrowing tools from a farmer and buying nails and plaster in Thwil Town, for she still had half the cheese money. wizard's words. Otter stumbled on, trying to understand. He saw the slave in the tower, the woman. "No," he said. "I don't know the way." The house vanished. No walls, no roof, nobody.
